Wade into the Bronx River

Thursday, September 26, 2013 4:00 to 7:00

Hunts Point Riverside Park

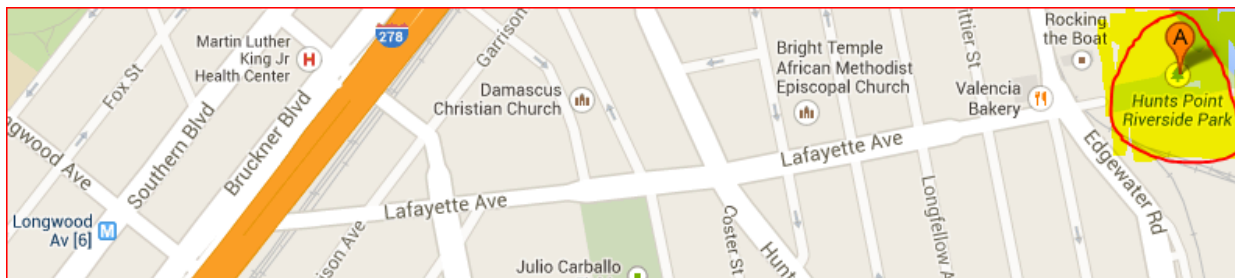

Join us at Hunts Point Riverside Park for a hands on workshop focused on waterfront education. Learn the ins and outs of getting your students involved in the study of our local waterways including planning your study, water safety, use of seine nets and kick nets, identifying organisms, and sampling water at the surface and at depth. Waders and all equipment will be provided for the training.

Learning opportunities run in consecutive one hour segments: 4pm, 5pm, 6pm
