RIVER HOUSE IS OPEN

In the spring of 2020, River House was finally completed. We can't wait to welcome YOU into this innovative, green facility located directly on the banks of the Bronx River next year!

A NEW SPECIES OF EELS

“This internship gave me the motivation to be the change I want to see in the Bronx.”

SAQUAN

STUDENT IN THE EELS PROGRAM

Even during the height of the pandemic, students had access to paid, hands-on STEM learning on the banks of the Bronx River through the Bronx River EELS Internship Program (Environmental Education and Leadership for Students).

NATIONAL RECOGNITION FOR THE VOLUNTEER PROGRAM

Service Enterprise
POINTS OF LIGHT

Thanks to the incredible commitment of supporters like YOU, the Alliance's Volunteer Program is now certified as a Service Enterprise by Points of Light, joining a national team of organizations utilizing innovative volunteer strategies to affect change in their communities. And it is all thanks to our amazing volunteers!

TOGETHER WE MADE A DIFFERENCE!

Despite all the challenges of 2020, we were floored with the outpouring of support from community members like YOU.

Together, we removed more than **335,000 sq. ft. of invasive growth,**

planted over **1,000 native species,**

engaged more than **400 volunteers,**

and removed more than **2,500 bags of trash from the river.**

This year, the community proved that our progress for the Bronx River won't be deterred
